

# Latex for Students

Philipp Mikos

April 2025

## 1 Introduction

latex ist anscheinend relativ beliebt...

## 2 Math

### 2.1 Writing Equations

how do I write an equation in L<sup>A</sup>T<sub>E</sub>X? in 1902, Einstein created this equation:  $E = mc^2$  Newton came up with this one:  $\sum F = ma$

$$5 + 5 = 10 \tag{1}$$
